Home Medical Delivery

My mother is incontinent.
I called Home Medical and
Mr. Merison was very helpful.
I had no idea what size
adult briefs to get. He
walked me through every step
and never acted as if I
were taking too much of his
time. He completed several
order forms and self-address-
ed envelopes.

I commend Mr. Merison
for his excellent service.

Also, my order was de-
livered within one week.

I will recommend Home
Medical if the opportunity
occurs.

Sincerely
Annie B
